FAQs

Bar and beer

How much flexibility have I got with choosing the beers on draught for my function?

We are able to provide our Kings Table with a selection of beers (Castle lite, Black Label, Newlands Spring, Stella Artois, Devils Peak) alternatively choose from a range of 3L beer towers.

Can I bring my own beverages?

We do not allow people to bring their own wine or any sort of beverages onto the premises.

Are my guests able to buy from the bar as well as through the waiter?

The main bar is separate from the waiter (function bar). If your guests would like to go to the main bar, we ask they pay immediately.

How do I determine how much food to cater for my function?

This depends on whether you want to give your guests dinner or just snacks to start. For snacks cater 4-5 items per person and for dinner cater 8-9 items per person. To make things easier our platters come in two sizes. A platter of 5, or a platter of 10. We also offer a range of Pizza's which works well as a snack/starter.

When must I confirm catering and final numbers?

We need to have enough time to place any orders for the platters etc. so final numbers and prior food or beverage orders are needed 4 days before.

Can I supply my own cake?

You are most welcome to bring a cake, although we charge a cake fee of R250 per Cake. Alternatively our chef can create a cake for your function, although we will need at least 7 days notice.
